We do this because, as a community, we are aware of how fortunate we are in comparison to so many other people around the world; we know how important it is to care about others and do our best to help where we can. Keeping the view in our mind our school distributed free medicines, free medical checkup for needy persons. We also provided blankets and clothes to the people who really need. Apart from this the school distributed free text books ,reference books, story books dictionary and note books to not only our students but also to the students from the other schools also. For this noble purpose the School Management Committee President Shri Ramesh Chandra Mishra has arranged all the things.

Before I conclude, let me assure that even though our students engaged themselves in various co-curricular and life skill activities, top priority is given to academic performance. Remedial teaching, extra classes, revisions, unit tests, class tests, assignments, project work, end of term exams have kept them busy throughout the year. I render thanks to our Principal, our Management, our teaching and non - teaching staff and my students and parents who have been with us in all our activities with maximum support and co-operation.
