

# ANNUAL REPORT

Academic Session 2025–26

## PT. NAGESH DUTT PUBLIC SCHOOL AJHARA, LALGANJ, PRATAPGARH, UTTAR PRADESH

---

### 1. Introduction

It gives me immense pleasure to present the Annual Report of Pt. Nagesh Dutt Public School for the academic session 2025–26. The report highlights the achievements, activities, and progress made by the school during the year.

Education is not merely the acquisition of knowledge but the development of character, discipline, creativity, and leadership. Our school constantly strives to provide a learning environment where students can grow academically, socially, and emotionally.

The institution aims to provide quality education along with moral values and modern skills required in the 21st century. With the continuous support of the school management, dedicated teachers, and cooperative parents, the school has achieved remarkable progress in academics, co-curricular activities, and infrastructure development.

---

### 2. Vision and Mission of the School

#### Vision

To provide holistic education that develops intellectual curiosity, moral values, creativity, and leadership qualities among students.

#### Mission

- To provide quality education with modern teaching methods.
  - To develop discipline and moral values among students.
  - To encourage creativity, innovation, and critical thinking.
  - To prepare students to become responsible citizens of the nation.
- 

### 3. Academic Excellence

Academic excellence is the primary objective of our institution. The school follows a systematic and well-planned academic program in accordance with the CBSE curriculum.

During the session 2025–26:

- Regular classes were conducted according to the academic calendar.
- Periodic tests, half-yearly examinations, and annual examinations were organized.
- Special remedial classes were conducted for slow learners.
- Enrichment classes were organized for meritorious students.
- Teachers used digital learning tools and smart classrooms to make lessons more interactive.

Students were encouraged to develop analytical thinking, problem-solving skills, and conceptual clarity through project work, group discussions, and presentations.

---

#### **4. Faculty and Staff**

The strength of any educational institution lies in its teachers. Our school has a team of highly qualified, experienced, and dedicated teachers who work tirelessly for the academic and personal development of students.

Teachers regularly participate in:

- Training programs
- Educational workshops
- Professional development programs
- Teaching methodology seminars

These programs help teachers update their knowledge and adopt modern teaching techniques.

---

#### **5. Infrastructure and Facilities**

The school continuously works towards improving its infrastructure to provide better facilities for students.

The school provides the following facilities:

##### **Smart Classrooms**

Modern smart classrooms equipped with digital teaching aids help make learning more effective and interesting.

##### **Science Laboratories**

Well-equipped laboratories for Physics, Chemistry, and Biology enable students to perform experiments and develop scientific skills.

##### **Computer Laboratory**

The computer lab is equipped with modern computers and internet facilities that help students learn programming, digital literacy, and technological skills.

## **AI and Robotics Lab**

To prepare students for future technologies, the school has introduced an AI and Robotics learning facility.

## **Library**

The school library provides a variety of books including academic books, reference materials, storybooks, and magazines to develop reading habits among students.

## **Sports Ground**

A spacious playground allows students to participate in outdoor sports and physical activities.

---

## **6. Co-Curricular Activities**

The school strongly believes that education should not be limited to textbooks. Various co-curricular activities are organized throughout the year to promote creativity, confidence, and personality development.

Some of the activities conducted during the session include:

- Debate competitions
- Essay writing competitions
- Drawing and painting competitions
- Quiz competitions
- Poetry recitation
- Cultural programs and stage performances

These activities provide opportunities for students to showcase their talents and develop communication and leadership skills.

---

## **7. Sports and Physical Education**

Physical education plays an important role in maintaining the health and fitness of students.

The school encourages students to actively participate in various sports activities such as:

- Cricket
- Football
- Volleyball
- Kabaddi
- Athletics

Regular sports periods and practice sessions are conducted to improve students' physical strength, teamwork, and sportsmanship.

---

## **8. Celebrations and Important Events**

Celebrating national and cultural events helps students understand the importance of history, culture, and patriotism.

The school celebrated several important events during the session:

- Independence Day
- Republic Day
- Teachers' Day
- Children's Day
- Gandhi Jayanti
- Environment Day
- Annual Cultural Function

These celebrations included cultural performances, speeches, competitions, and awareness programs.

---

## **9. Social Awareness and Value Education**

The school organizes various awareness programs to promote social responsibility among students.

Programs conducted during the year include:

- Cleanliness awareness campaign
- Tree plantation drive
- Environmental awareness activities
- Health and hygiene awareness programs

Students are encouraged to develop compassion, discipline, honesty, and respect for society.

---

## **10. Parent-Teacher Cooperation**

The cooperation of parents is extremely important for the progress of students. Regular Parent-Teacher Meetings (PTMs) are conducted to discuss students' academic performance, behavior, and overall development.

These meetings help strengthen the partnership between parents and teachers in shaping the future of students.

---

## **11. Achievements of Students**

Students of the school actively participated in academic and co-curricular competitions and achieved remarkable success.

Achievements include:

- Excellent performance in annual examinations
- Participation in district-level competitions
- Awards in debate, quiz, and cultural programs
- Outstanding performance in sports activities

These achievements reflect the dedication and hard work of both students and teachers.

---

## **12. Future Plans**

The school is committed to continuous improvement and development. The future plans include:

- Expansion of digital classrooms
  - More advanced AI and robotics learning programs
  - Improvement in sports infrastructure
  - Organizing more educational workshops and seminars
  - Promoting skill-based learning programs
- 

## **13. Conclusion**

In conclusion, the academic session 2025–26 has been a year of learning, growth, and achievements for Pt. Nagesh Dutt Public School.

The success of the school is the result of the combined efforts of the management, teachers, students, and parents. We look forward to continuing our journey towards excellence in education.

I sincerely thank the school management, staff members, parents, and students for their continuous support and cooperation.
